Orders for the listed discontinued products will be accepted until **October 31, 2018**, providing you with six (6) months to secure product. Please note that all deliveries of end-of-life products must be scheduled for shipment within the next twelve (12) months.

Our intent is to work with customers to meet all existing obligations. However, we may not be able to guarantee delivery of requested quantities if we do not receive discontinued product orders by the above noted date. Further, we recommend you do not wait until the last moment to advise your Transphorm sales representative of your product needs, particularly if you anticipate requiring volume over and above your normal run rate. At your earliest convenience, please provide your sales representative with your forecasts and discuss order scheduling.

It is Transphorm's policy that orders for products on end-of-life buy status are non-cancelable and non-returnable (NCNR).

As a reminder, important dates related to the discontinued products include:

Final orders accepted until: 10/31/2018
 Products must be shipped by: 04/30/2019

We thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact your Transphorm salesperson.

Regards,
 Philip Zuk
 Vice President, Technical Marketing
