Description of Change:

The above mentioned part number utilizing the Samsung DDR3 DRAM (256x8) Rev. D die and Rev. Q die has been designated as End of Life (EOL) by the manufacturer and has been superseded by the equivalent item using the Micron DDR3 DRAM (256x8) Rev. K die for best support.

The suggested replacement Wintec part number is listed below. The replacement part is intended to be a drop in replacement as form, fit and function is not affected

Although these changes were thoroughly evaluated in our test lab at qualification we recommend the customer to conduct their own evaluation to insure the replacement will function as required.

Wintec Part Number (EOL)	Recommended Replacement
WD3SE04GX818-1333L-PD	WD3SE04GX818-1333L-MK
WD3SE04GX818-1333L-PQ	WD3SE04GX818-1333L-MK
