End of Life Notification Date: June 1st, 2010

Dear Sunon Customer,

As a valued Sunon customer, you have our commitment to provide you with the highest quality customer service, product support and technologically advanced products. We pride ourselves in being a leading fan manufacturer, a goal that could not be achieved without customers like you.

After careful consideration of our current product offering, we have identified the following items to be at the end of their lifecycle and will be transitioned to an "End-of-Life" (EOL) status. This decision was based on our worldwide review of historical unit shipment volume, product demand, material availability and product revenue performance. These EOL items will be available for a last time buy purchase. Under the terms of the last time buy program, orders will be accepted for 8 weeks commencing with the date of this notice after which no additional orders will be accepted. Scheduled deliveries will be permitted within 6 months of the last time buy date. Thereafter these products will be considered obsolete and no additional deliveries will be made.

Former Model	Former Model Remark	Replacement model	last time buy	last time ship

For customers wishing to continue using Sunon EOL Models listed above, please contact the Customer Services department at 1-714-255-0208 or contact your local Sunon regional representative for further information.

Sunon wants to continue its relationship with you. We remain committed to providing our customers with the highest quality products and service. We regret any inconvenience that this may cause, however we believe you will find our new product offerings very attractive.

Acceptance of last time buy orders is subject to product's bill of materials (BOM) availability and at the discretion of Sunon. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR).
